# VERSALIFT

A **TIME** MANUFACTURING COMPANY

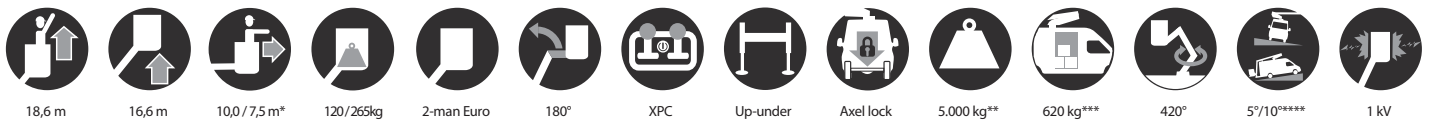

# VDT-185-F on Mercedes Benz Sprinter

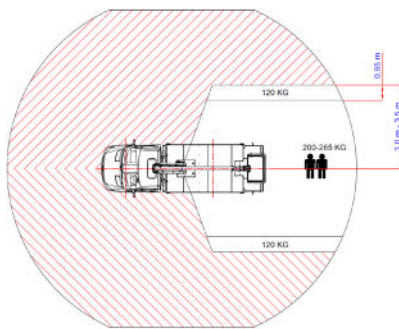

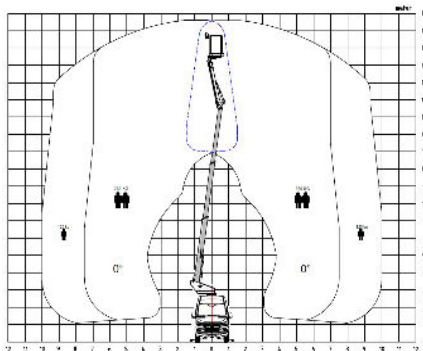

A vast list of optional equipment is available, allowing you to customize the VDT to meet your specific demands.

Option: With Sortimo car interior, you have the option of direct access to the workspace, as well as the lift, without having to get out of the car - very useful in heavy traffic.

■ Length: 7465 mm ■ Height: 3500 mm ■ Wheelbase: 3665 mm

## Diagramme(s)

## Options

- Safety stripes red/white (optional)
- LED ceiling lights (in the load area)
- Parallelogram entrance (for the bucket)
- Trailerhook (requires rear platform)
- HOME function and limited work area (limited area without outriggers)
- Drive option
- Walk-through from cabin to van

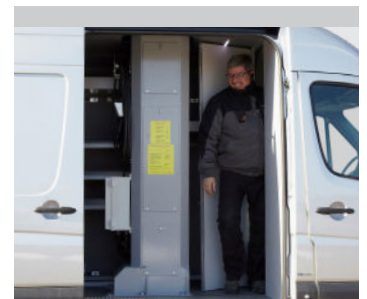

The shaped profile ultra high strength steel booms provide improved rigidity, stiffness and performance

Sortimo workshop interior (optional)

XPC controls with up to 4 actions at a time

Walk-Through-System: Direct access from the cabin to the bucket through the vehicle (optional)
